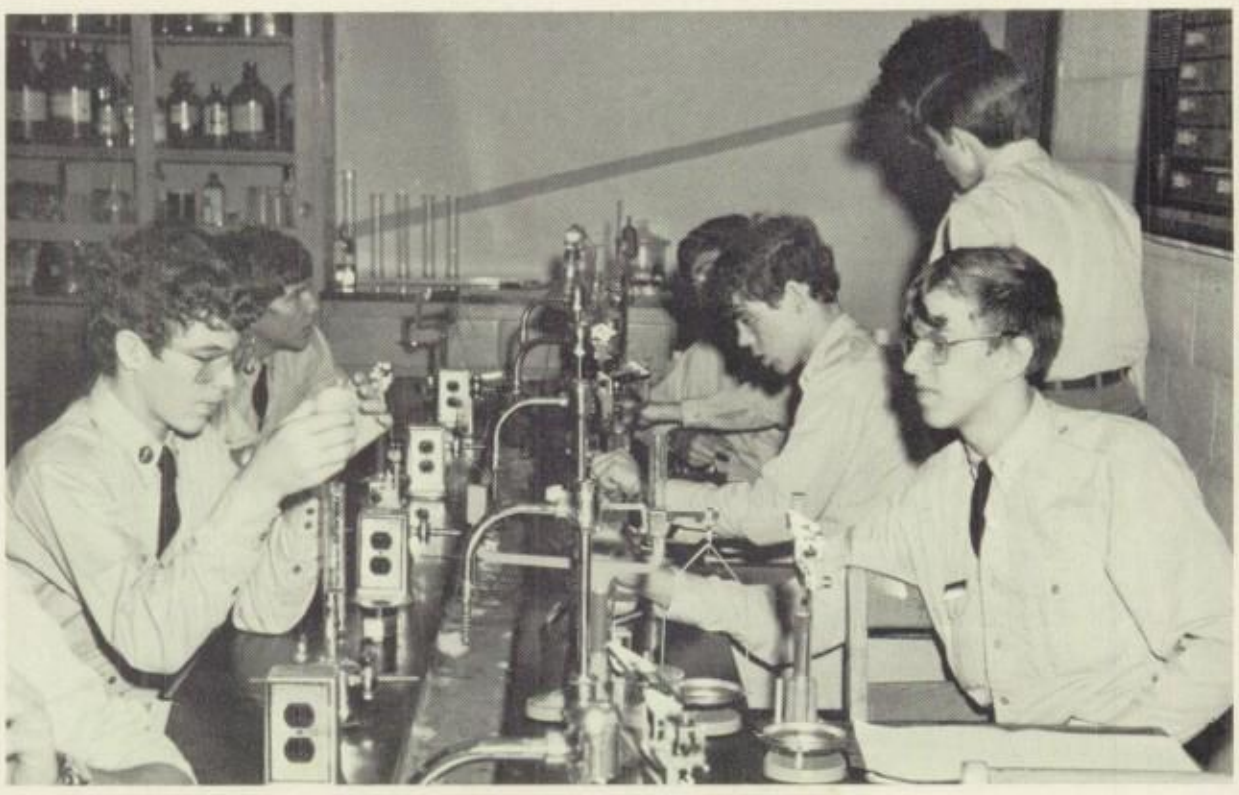
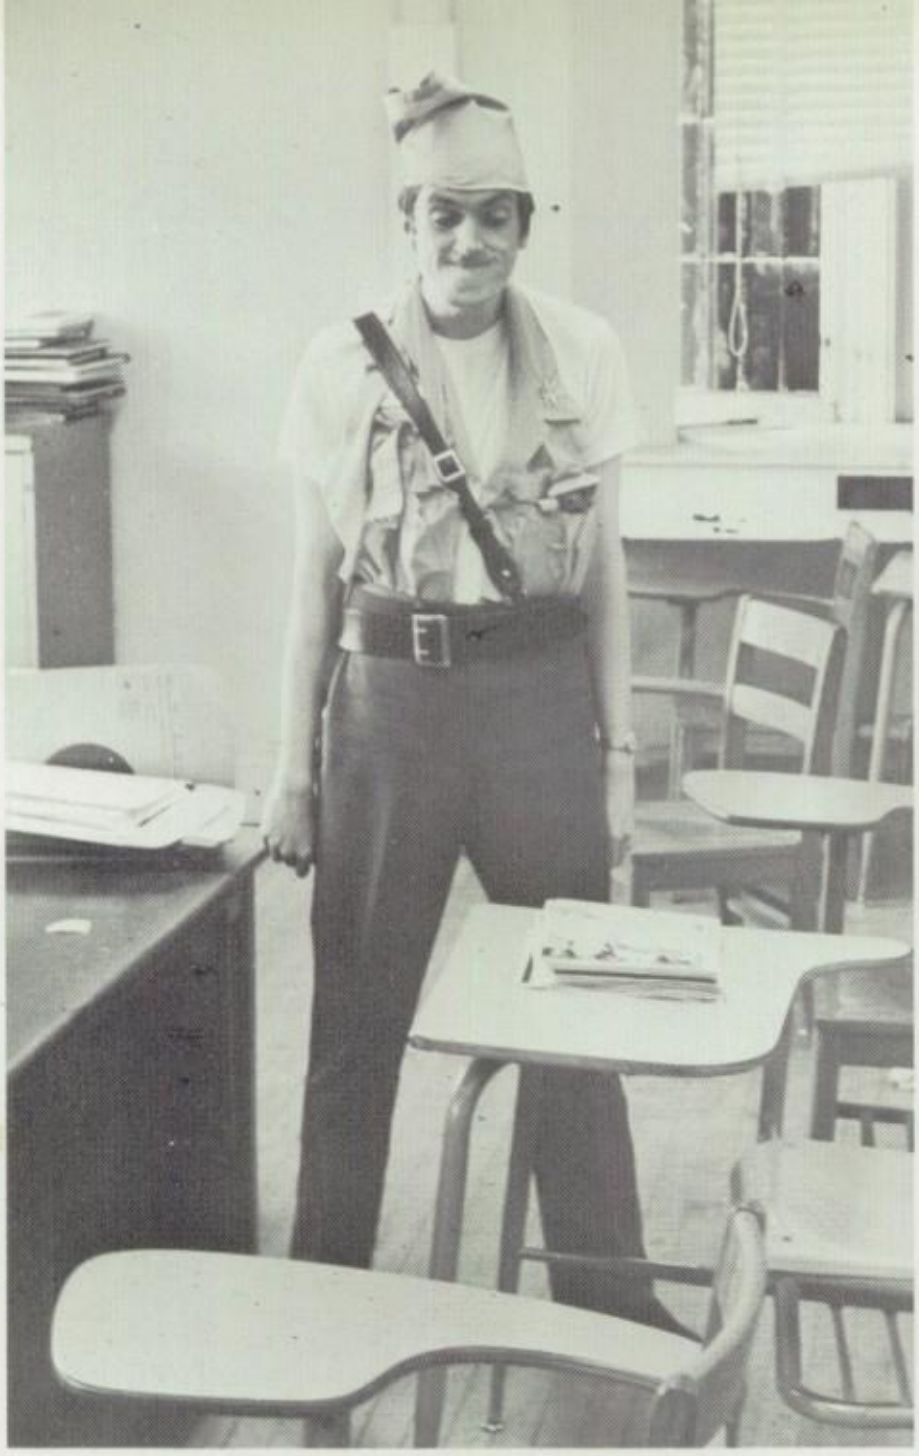
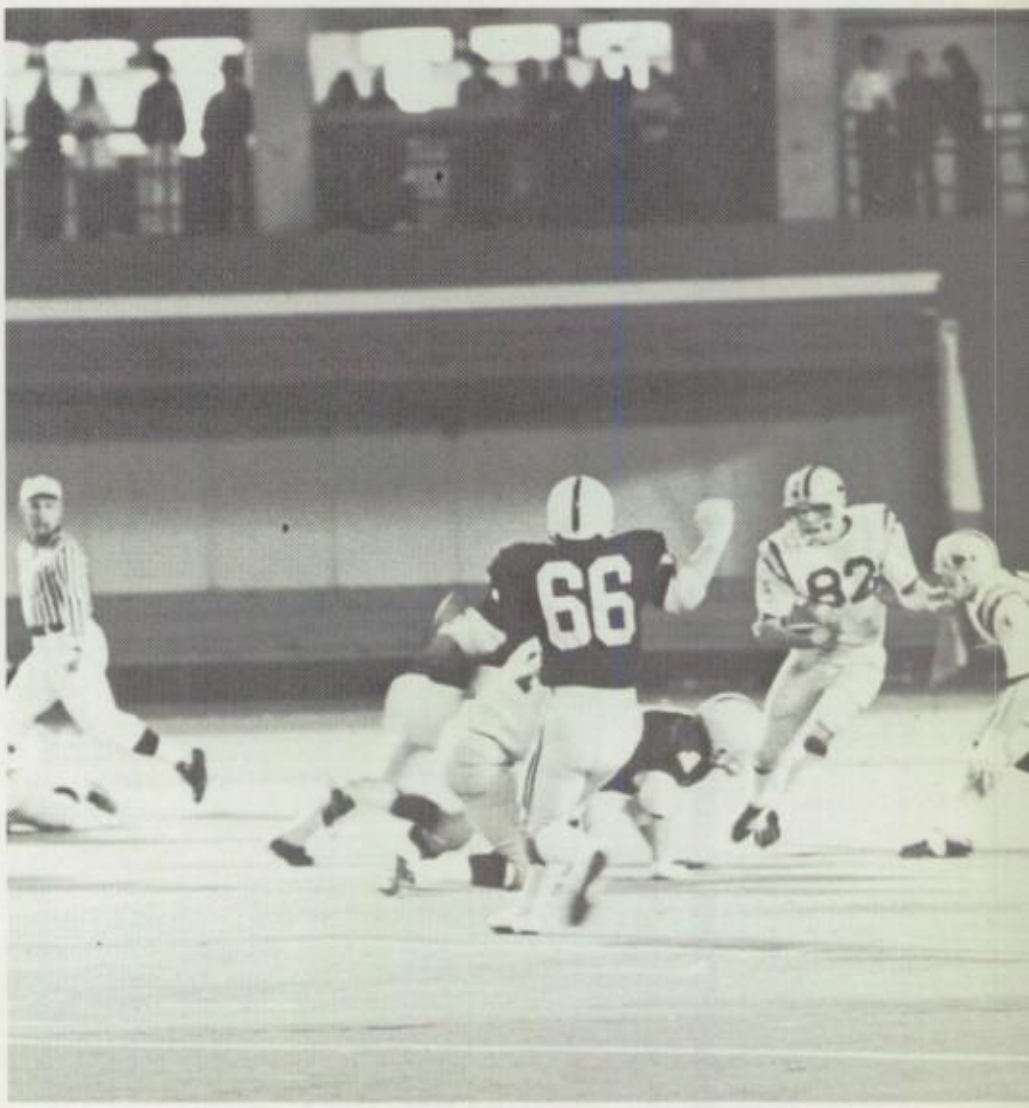
For the Class of '74 there are many memories to reflect upon. The first day in school, the first inspection, the first parade and so on. For most the last memories are the most remembered. The last physics class, the last Basketball game, the last Prom, the last time you will see many of your classmates. We hope that this GUIDON will help to refresh some of those memories that we all hold close to us. As you look through these pages it is our hope that you will look at your days at CBC as some of the best days of your lives.



Henry David Thoreau wrote, "I came to a fork in the woods, and being adventurous, I took the path less travelled, and that has made all the difference." In a sense, we, the class of 1974, are also at that fork in the woods. The path we take will make all the difference in our lives. Whether we follow the path most of us will take, toward college and a professional career, or the path "less travelled" is up to us. We are at the Commencement! The beginning of our Adult Life! This path will be filled with happiness, and yes, some sorrow. We will make new friends, and new enemies. We will take on added responsibilities, perhaps marriage is near for some of us. So it is time for us to ask ourselves, "What am I going to do with my life?" What sort of a beginning will I make for myself? How will I put to use all the God given talent that I have? How will I put to use all that I have learned? But more important, how will I attain eternal salvation? To talk of salvation in this day and age to some is foolish. Some refuse to believe, or feel like it makes them less manly in some way. But all of us believe that everything we do on earth will lead us on the path to Christ. For that is the REAL Beginning, the real Commencement for all of us. I hope to see all of you on that path.



How good is CBC? How good are YOU? Really, they are the same question. You are the school. This ole' place is only as good as you are. Each time you criticize, each time you complain, YOU are really to blame. You give CBC its image, whether good or bad, you give CBC its reputation, you give CBC academic standards, you give CBC athletic success. CBC can only give you the opportunity, you must use that opportunity.



"I do not choose to be a common man. It is my right to be uncommon. I seek opportunity to develop whatever talents God gave me—not security. I do not wish to be kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail, and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the state of calm Utopia. I will not trade my freedom for a handout. I will never cower before any earthy master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act myself, enjoy the benefit of my creations and to face the world boldly and say, 'This, with God's help, I have done.'"

Student Government

Under the excellent direction of Brother Emmett King, the Student Council had what can be considered a successful year. Starting with last year's elections, President Joe Lischwe, Vice President Steve Hieger, Secretary Jim Schneller, and the other officers began their quest to improve the student role in the affairs at CBC. Like most years they promised the moon at the elections, and then did what they could to reach their goals, though realizing that maybe getting the Senior Lounge was just about the same. Having students on the various Faculty Committees was a big plus for the Council, those included the Discipline Board, the Student Affairs Committee, and sitting in on Faculty Meetings, among others. Without a doubt, some of the outstanding events were the VERY successful dances sponsored by the Student Council. There was nary a one that was not filled to overflowing capacity. Hats off from the *GUIDON* to Brother Emmett and the rest of the Student Government.

1974 GUIDON

The *GUIDON* for 1974 surpassed all expectations for promise, desire, and overall talent, when the staff first met in September. By the time June rolled around, most of the expectations had been reached. This will be the first yearbook printed in several years that you will receive before school opens. There are new ideas, and some traditional ones that we kept. I hope that you will like the color breaker pages as we put a lot of time and effort into making these reflect the school and its activities. By graduation almost everything was completed and I would like to thank Dan Buckley, Terry Mahoney, Tim Auer, Ken Fulton, Randy Boersig and the others for doing a fine job, and making mine easier.

the Turret

The *Turret* for the third consecutive year was under new management. Gone were the advertisements, as well as much of the controversy of past issues. It seemed to come out more often this year than last! We read it with awe (I am still trying to figure out the articles by Mahoney) and wondered when it would get the local gossip straight. But it did come out, and it did interest us, and it was *our* paper. The Editors did a fine job of stirring interest in changes in the curriculum, in getting the senior lounge, and in pushing the swimming team to new heights. Highlights of the year were the see, hear, speak no evil of the faculty football team, and the Christmas presents they were presented by the "Seeing I."

Concert Band Thrills All at Maplewood

Mr. Eckels and Brother Joel have once again put together one of the finest marching, concert, pep, show bands in the St. Louis Area. Getting the Freshmen to blend into the "tone" creates the first problem for the Director, but by the Fall Review, he has done his job well. Then the long winter break, all in preparation for the Winter Band Concert in February. Again, Success! Then back outside, first to straighten out the ranks when marching, then to blow and walk once again. But by the Spring Review, all has been worth it. Marching smartly they are as good as any band anywhere; hats off to this year's band, and Mr. Eckels and Brother Joel for an outstanding job.

Boosters

For the third consecutive year the Booster Club has been around to assist the Coaches and Moderators of the various activities in any way they could. Comprised of fathers, with a sprinkling of hardworking mothers, they have set up the activities banquets that have been such a tremendous success for them. Though not as ever present as in the past, they are nevertheless just as important to CBC as anyone else. The GUIDON wishes to express its appreciation to the Boosters. We also mourn the death of Mr. Ernie Theodore, a true "Booster" of CBC. Thanks to all of you who have helped us the past years.

Parents Club

The interest of the Parents in CBC is apparently on the upswing, at least if the attendance at the Parents' Club meetings is any indication. With the Standing Room Only crowd at most of the meetings, there appears to be a growing enthusiasm among the parents in the improvement of the quality of education here at CBC. Add to this the great turnout at the Parents' Report Card Days (and nights) and you can see this even more.

The Parents' Club was saddened to see the departure of Mr. Roche but the new President, June Hiles did a very commendable job. Other officers for the 1973-74 term were Recording Secretary–Millard Etling, Corresponding Secretary–Mrs. Patrick Simpson, Treasurer–Mr. William Imming, Assistant Treasurer–Mr. Charles Guimbarda. And once again, and unfortunately for the last time, the moderator of the Parents' Club was the President of CBC, Brother Stephen William.

Fashion Show

On Friday evening, February 22, the Mothers of CBC held their annual Fashion Show. Highlight of the show was the Senior "Girls" Hula group. Led by "Bubbles" Pagano, "Tootsie" Clark and the other "Dollies" Stouffers Inn radiated with laughter as they "Danced(?)" for the ladies. Many thanks to the Mothers for their work in making this year's show another success.

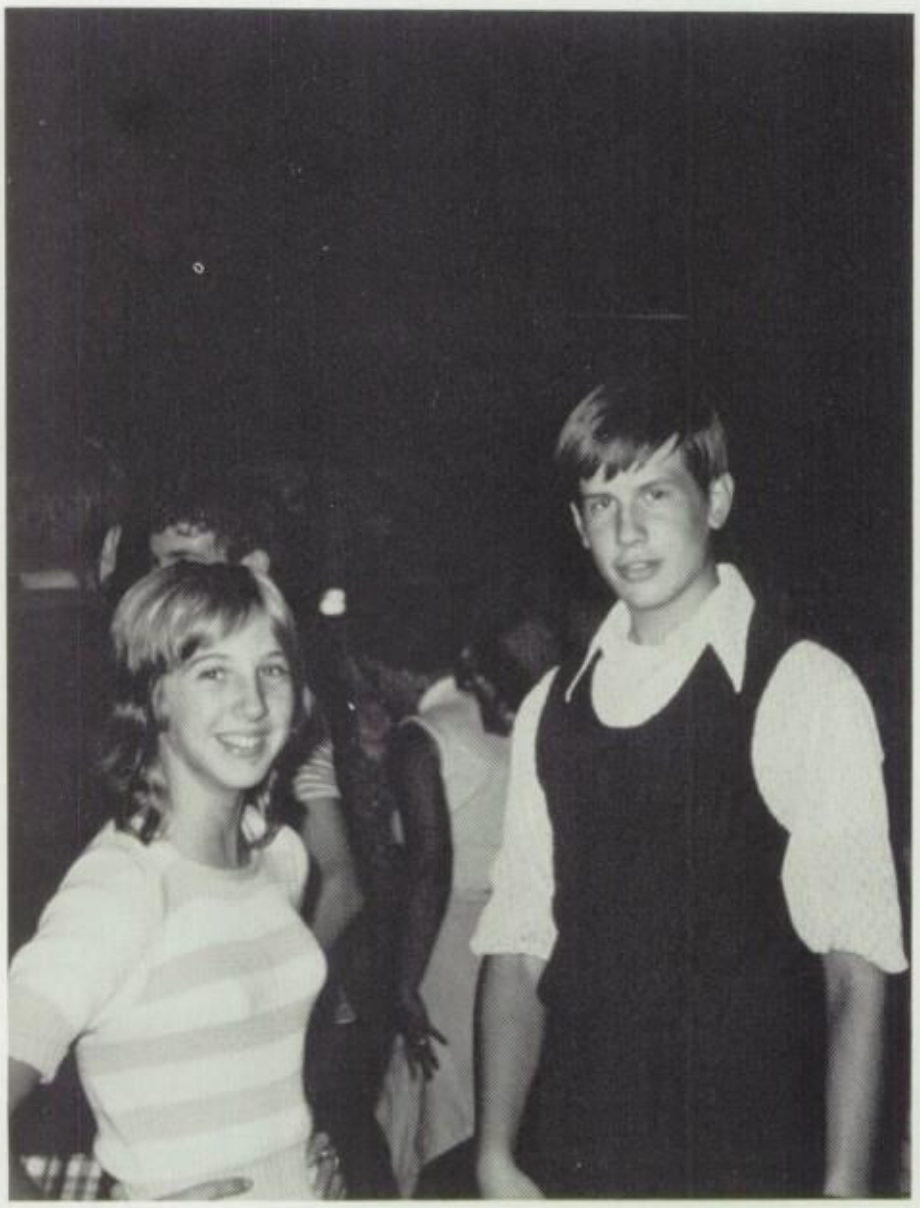
"Rock On"



"Dances"

The Student Council started the year off with a bang. The record crowd of 1200 people that filled the gym for Jay Berry got things off on the right foot. With news of the great times to be had, when Spoon River invaded the campus the crowd swelled and the gym howled with music. The arrival of the Younger Brothers only added the finishing touches to an already tremendous year. The Student Council is to be congratulated for the great music they brought and hope that we can get an encore for next year.

Father-Son Dinner a Tremendous Success

On Thursday evening, January 31, the Fathers and their sons got together for an evening of good food, good company and good entertainment. The traditional speeches about their relationship still seem to hit home the true meaning of the evening as the young men did perhaps see a side of their dad that never seemed real to them. For the dads a chance to be with their sons, to meet new friends and renew old acquaintances. Highlight of the evening was the discourse by "Dr. Shaeffer" who had the crowd rolling in the aisles, once he got his tie out of the ice cream. As always, the evening proved enjoyable for the over 400 in attendance.

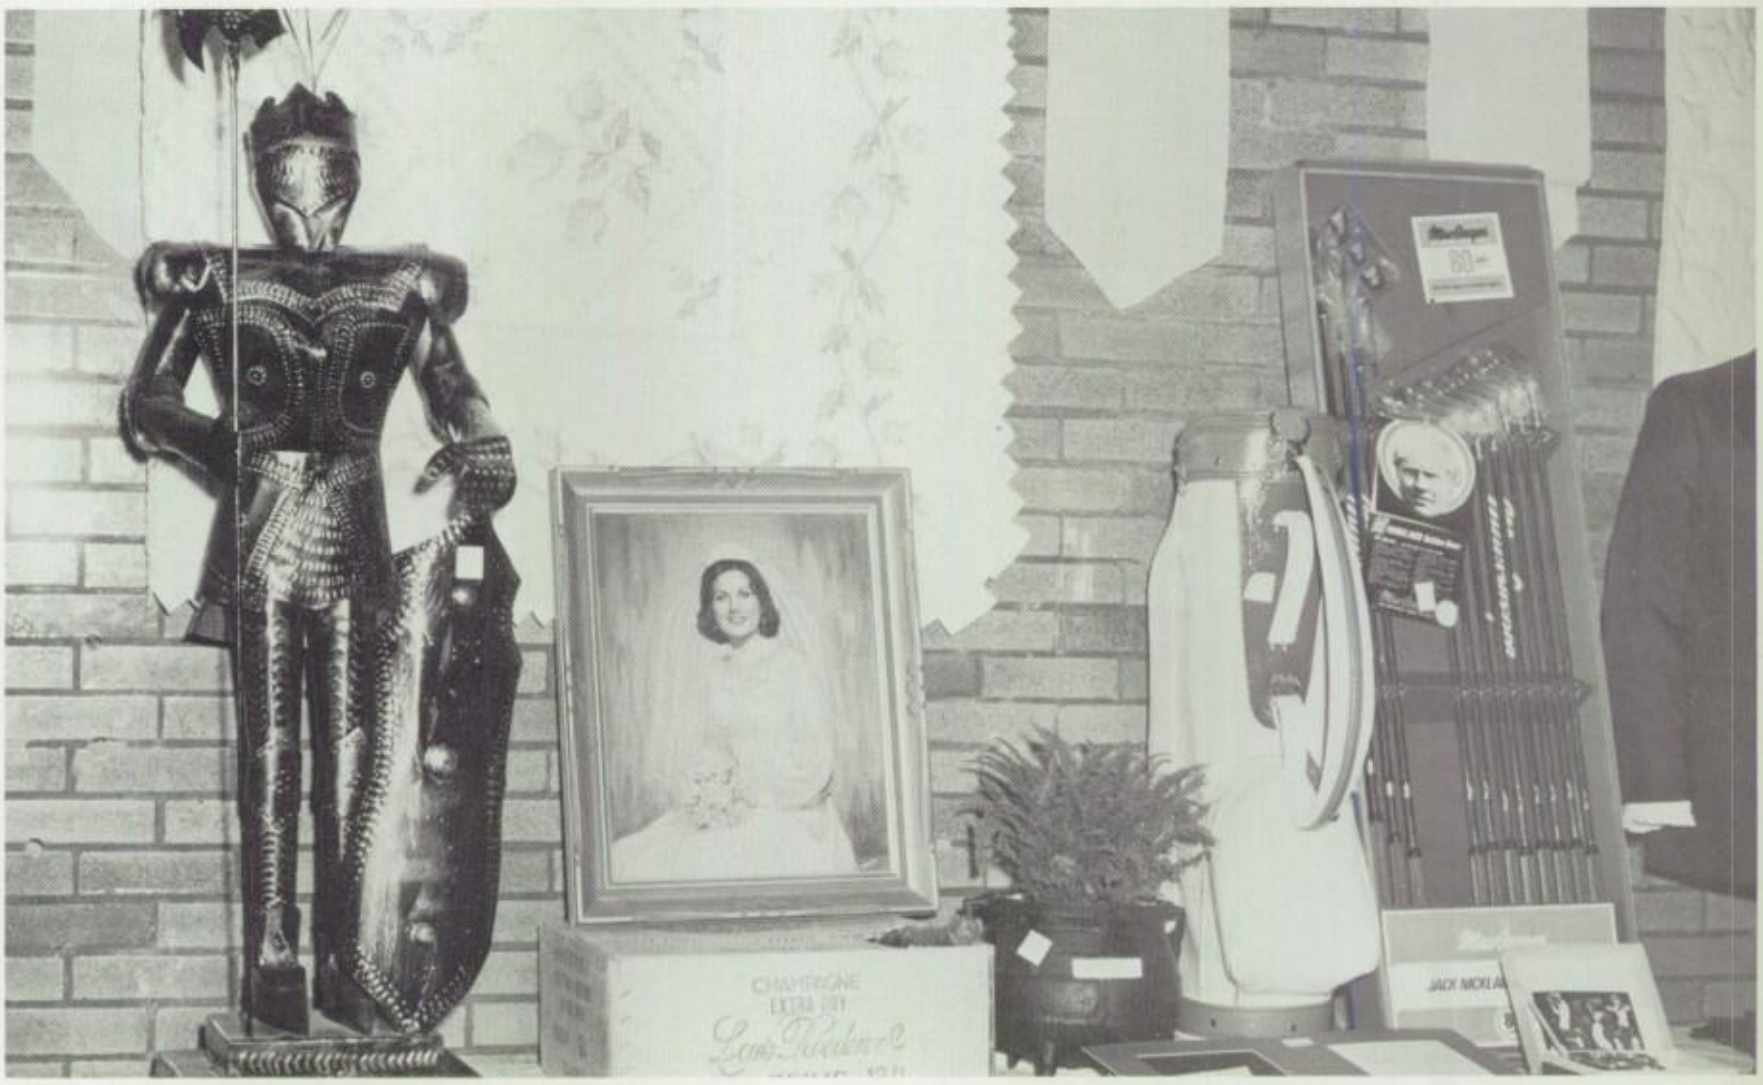
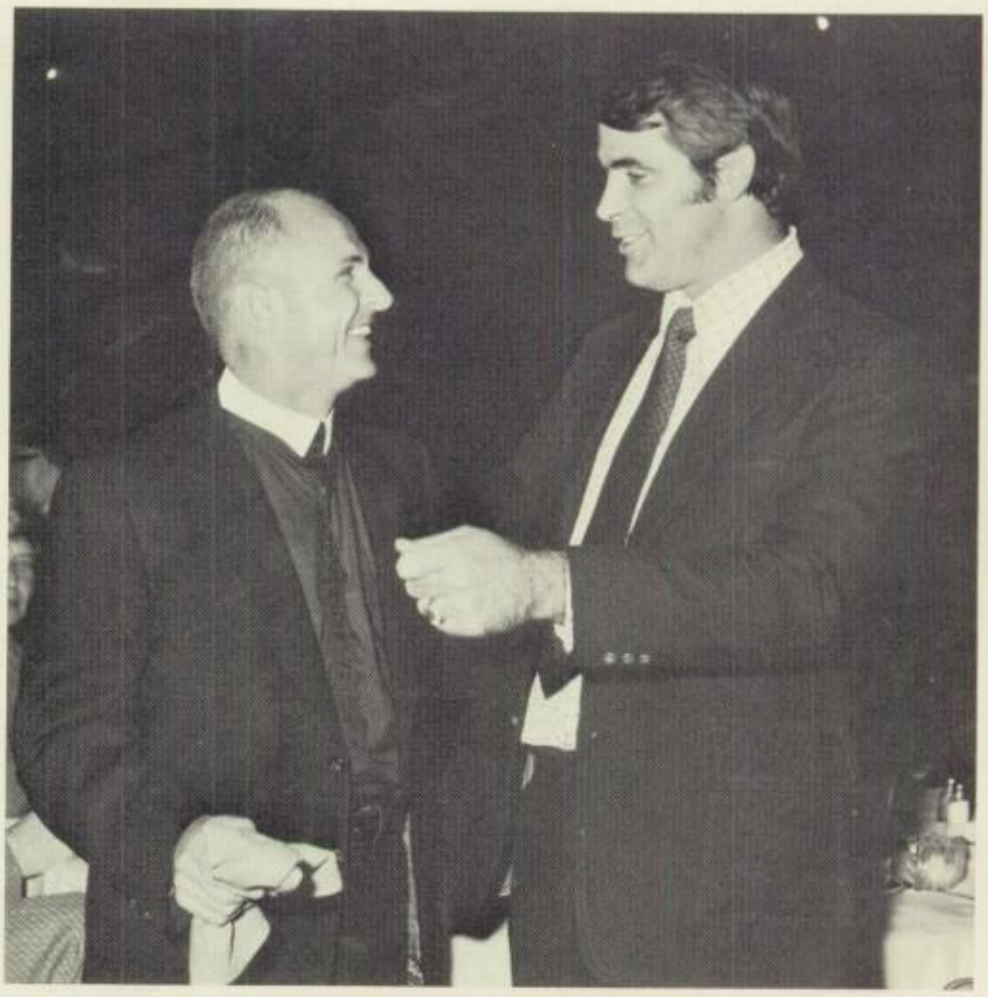
"Enchere de la Salle"

The CBC gymnasium was transformed into a veritable garden with potted palms, shrubs, and blooming plants. Add to this scene a waterfall and you have the setting created by Brothers Aloysius and Patrick for the First Annual CBC Auction, "Enchere de la Salle." Saturday, November 10 marked the climax of what took months of preparation by Mrs. Joyce Littlefield and Mrs. Wilma Cantwell. The delicious buffet, the wonderful gifts, and the generous friends, parents and alumni of CBC made this an unforgettable evening. Chairman Mike Shannon, a graduate of CBC, and former major leaguer, did a truly outstanding job of getting the ball rolling. Special ticket chairman Gene Slay cannot be thanked enough for the time and work he put into making the Auction a success. Mrs. Thomas Drazen of the Silent Auction, and many others put hours into what evolved into one of the biggest nights in CBC history. We do not have space here to list all those who gave so much to make this a special evening. The *GUIDON* wishes to thank all those for their interest in CBC and here state that "Enchere de la Salle" will again be held next fall due to the great success at this year's Auction. We hope that the 1974 Auction will bring even more friends of CBC back to show their appreciation for both CB and the Christian Brothers here in St. Louis.



CBC



Alumni Banquet

The 1974 version of the Alumni Banquet was once again held at the Missouri Athletic Club on Tuesday, November 27. These dinners are real pleasures to the Alumni who look forward to seeing old faces and meeting new Alumni. These are the backbone of CBC, the Alumni who continue to take an interest in the affairs of CBC. The *GUIDON* hopes that these dinners will continue to show the true spirit of the Alumni, and help to strengthen the bond between them and CBC. A special thanks must go to Brother Joel Baumeyer for his endless work in making the Alumni a vibrant group once again.

Football

For this gridiron team, the season must have seemed an eternity. No matter what they tried, no matter how hard they worked, nothing seemed to work. After knocking over Mercy they could not find the TD path the rest of the season consistently. Reaching back into their pride they gave Jeff City a heck of a game, playing their best game all season. Despite the lack of an effective offense, they almost dumped SLUH at the Stadium. With 27 lettermen returning next season they should be much improved and hopefully make a complete about-face.

Over the past 45 years that CBC teams have been meeting their opponents on the gridiron we have won more than our share. Having accumulated 230 wins, 146 losses and 28 ties for a 56.9% we have shown our true colors as one of the outstanding teams in the St. Louis Area year after year. Below is just a sampling of our many accomplishments on the Gridiron.

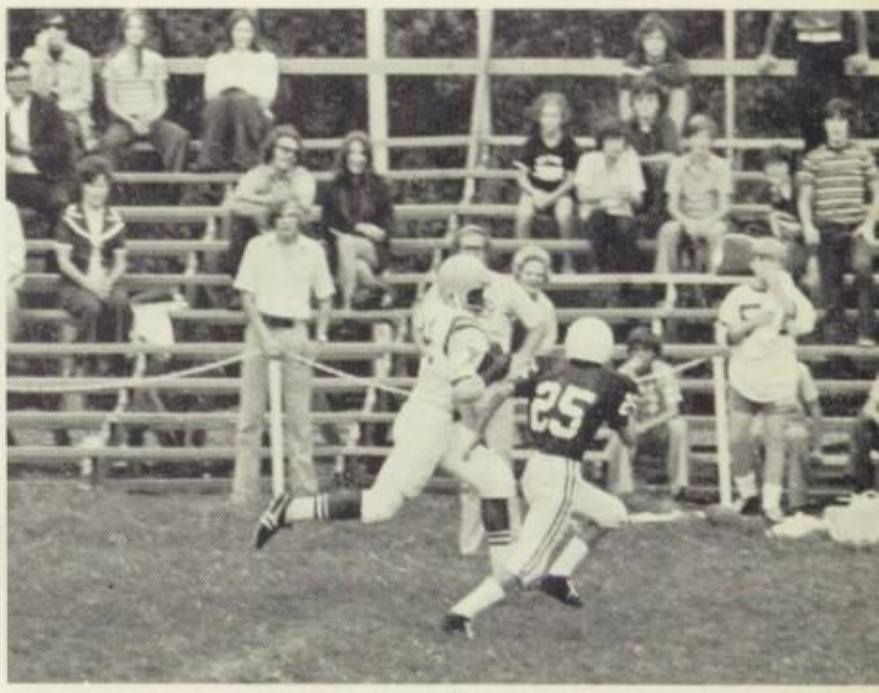
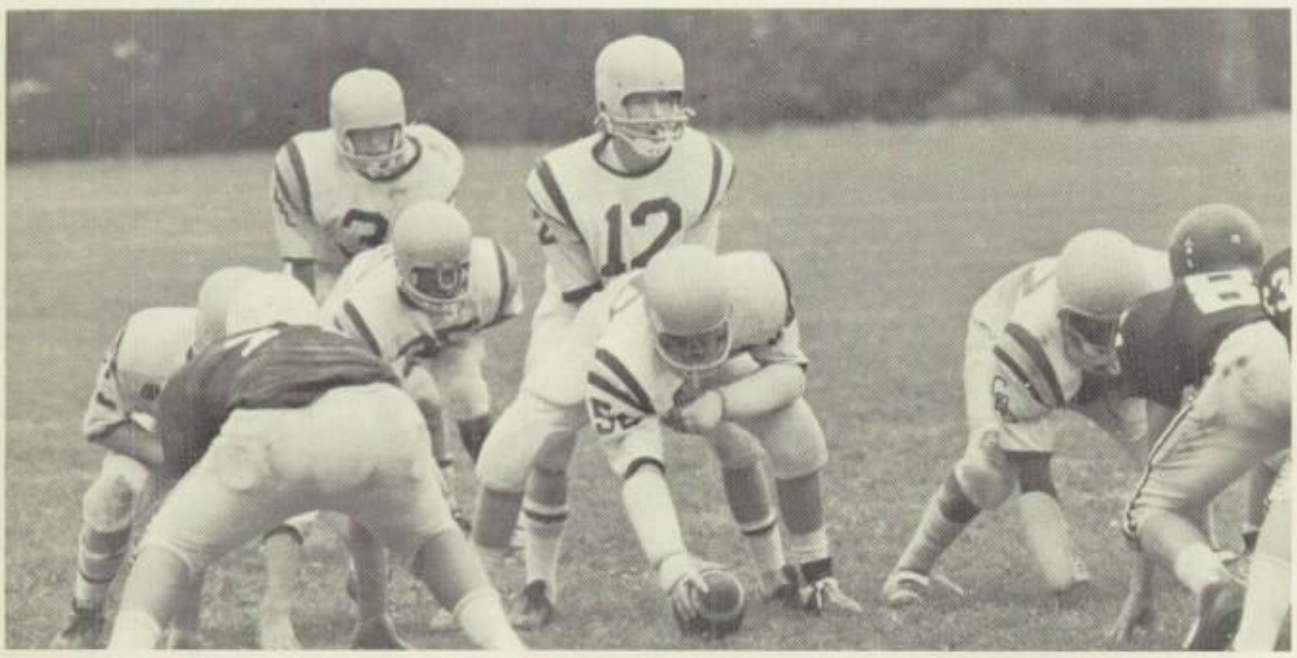
As you can see from the scores above, the big problem with the Sophs was consistency. Hard hit by key injuries, and the loss of Mike Kopsky to the Varsity took its toll in the last five games. Coach Michler resorted to the shotgun formation, and while victories were not to be had, the games were exciting and brought back memories of the football of the Rockne Four Horsemen Era.

"C" Football





The Frosh started off with a bang. They whipped DeSmet 6-0 before suffering through a period of games where they could produce no offensive punch. Injuries did take their toll, plus many rookies on the "B" team, and the 2-4 record does not tell the whole story. When the season ended on a bright note against Assumption we all knew this would be a fine group for CBC in the years to come.

Cagers Finish 14-9; Lose in Regional Final.

The Roundballers capped another successful season with a second place finish in the regional tournament at Ladue. Fine play all season by Senior Mike McCormack, who averaged 16.9, and Junior Duane Naeger who tallied 14.8, helped the Cadets to finish strong. Three wins over DuBourg, two over DeSmet, the thrilling finish of the Lindbergh game, and the comeback against Kirkwood marked their play. With six returning lettermen, and a fine B team, Coach Wilcutt should have another winner next campaign.

B's Finish Season 11-5

The Sophomores ended with an 11-5 finish, a fitting record for an outstanding group. Led by Mike Kopsky who averaged 17.5 points per game, the "B's" manhandled most of their opponents with ease. Good pressure defense, and a fine offense marked their consistent play all season. They should be a good nucleus for the Varsity next year.

Bahrmen Show Promise Despite 7-8 Record.

Coach Bahr's Freshmen displayed at times championship form. Destroying Mercy three times, dumping Althoff, over there, and whipping DuBourg twice. However they could not get untracked enough to keep a consistent effort going, and thus the 7-8 season. Alan Killian, Jim Wiggins, Joe Schmidt, Bill Lampe and Fred Ransom, to name a few, are many of the stars of the future. Coach Bahr still can point to the Althoff game with pride as one of the finest he has seen his teams play.

Soccer

The '73-'74 Soccer team was perhaps one of the youngest teams CBC has ever fielded, yet they managed to reach the District finals, only to lose in Sudden Death to St. Mary's 2-1. Coach Michler played most of the season with as many as eight sophomores in the lineup. Couple this with the Championship B team and you have the makings of a great season next year. A very special tribute goes to the seniors who never let up in their desire to make this team the best they have played on at CB. These five gave the young kickers the desire and leadership needed to pull them through the long campaign. Co-captains Jim Roth and Rich Doerr supplied these qualities, while also picking up points for the Cadets. Roth led the scoring with 15 goals and 10 assists and Doerr was a stalwart on defense. Looking back at the season, one delights at the sound 3-0 thrashing of St. Louis in the District, and the fine 2-0 win over DeSmet in the DuBourg Tourney. Both of these games could be considered the highlights of the past season.

"B" Soccer

The B Soccer team had one of the most successful seasons ever. Finishing with a record of 13 wins, 2 losses and 4 ties, they climaxed a tremendous season with the championship of the McCluer Tournament, pitted against the best second year men in the area, CB came out on top.

Shutting out the opposition 13 times during the campaign showed what they hope to accomplish during the coming years. Perhaps the most exciting game was the finale, a Sudden Death game with Rosary High. Jeff Aboussie's head shot gave the Cadets the edge they needed to capture the tourney.

Matmen Take 2nd in Bi-State; Slay and Rowles Excell!

Coach Simpson's wrestlers started off their defense of the Bi-State crown in good fashion. With some promising help from the freshmen (George Carouthers), some experienced sophs (Ed Smith, John Rawie), the super juniors (Mark Slay, Jim Rowles, Dan O'Neill) and the solid seniors (Bill Wilmering, Steve Jenneman, and Dan Kelly) they started quickly. Perhaps too quickly for consistency was not one of their assets in the 4-7 season. Fortunately, the brilliant ability of individuals made the season a success, climaxed by Slay's and Rowles' fine performances in District.

Cadets Skate to New Highs; Go 16-4-4 in League Play!

The hockey team got off to its best start ever in the High School Hockey League. Opening with 5 straight victories, and 13 games straight without a loss, they finished with the best season in this new sport. Led by Chuck Kaiser, a stalwart since his freshman year, with 27 goals, and some great defensive play this season they marked the key to victory after victory. With most of the team returning, they should be even stronger next season.

Cadets Go to State Semi's

Coach Bahr did an outstanding job in leading his baseballers to the Semi-Finals of State with mostly an underclassmen team. But the forerunners of the season would go to a couple of seniors, Rich Doerr, Mike McCormack, and Bob Brynda in the hitting department and a tremendous job done by Dan Drazen in compiling a 6-4 mark. Only a very fine Fox team kept the Cadets out of the finals, but they WILL return very soon, Coach Bahr assures us.

Golfers Hole Out; Qualify for State!

Coach Hagertys' linkmen finished the season at Columbia in the State Tournament finishing 18th in the State. This capped a fine season in which the Cadets finished 11-1 in Match Play and captured third in the District competition. New records were set this year by Gary Slay and Steve Robinson each with two under par rounds. A new team record also was established at Ruth Park against Vianney with a four over par 208 total. With many juniors back next campaign, a state championship team is a reality for the Cadets.

Tennis Team Marches to 8-7 Record

For the first time in a long time, the tennis team finished with a winning season. With hard work (?) by the plethora of coaches (the *GUIDON* did not keep track of exactly how many) they drove the netters on to a fine season. Topped off with two wins over opponents like Aquinas, Assumption, and Lincoln, and with easy wins over Chaminade and Roosevelt it was a truly successful season. Our congratulations to the Coaches John Eimes and Brother Stephen.

Cross-Country

Coach Findley directed his harriers to perhaps the greatest season in CBC history. They faced 11 opponents and only U. City took the better of the K-Dets. A 2nd Place in the Bi-State, 5th in Regional, and 3rd in District are only some of the honors this fine team deserved.

Distance Men Set New Marks

Led by the record setting two-mile relay team, the Trackmen, led by Coach John Findley, shattered three distance records. Jim McGinn in the 880, Mike Whorton in the 2 mile, and the team of Joe Keaveny, Jim McGinn, Dan Brady and Mike Meiners all shared in the record breaking performances. With all of them back next year, more records could easily be broken.

Cadets in State Baseball

Despite bowing to Fox in the State Semifinals the K-dets proved they are to be reckoned with in '75. Coach Bahr knows that they will be back and we are all hoping they can bring first State Baseball trophy home to Clayton Road.

Fall Review

The Fall Review, traditionally marking the opening of school functions was held on October 14. Before an overflow crowd the Cadets showed what many hoped for, precision execution, first class operation and an impressive excellence. Colonel Patton and the entire Staff were proud of the way the Brigade performed. Honored were the Student Council Officers, new members of the National Honor Society and the new Reps for 1973-74.

Rifle Team Shoots Down Opponents; Takes League Title!

The CBC rifle team was successful once again. The gold team posted a 7-0 season record clinching 1st place in the St. Louis Rifle League Blue Division. The purple team gained 1st place by posting a 5-2 overall record. The gold team was led by John Hutchens whose 188.4 average was the highest individual average in the league (200 is a perfect score), and by four other shooters who placed in the top ten. Those shooters were Joe Ferrario–7th place, Ken Fulton–8th place, Ken Wirthlin–9th place, and Rick Hemmer–10th place, out of the 75 league shooters. With posting an undefeated season record, the gold team also placed 1st at the Purdue University Invitational Match in Indiana and 1st and 2nd in a match held in Boonville, Missouri.

Spring Review

April 19 was a full day for the Cadet Corps, first the Federal Inspection, and that evening, the Spring Review was held, the last one for the graduating seniors, and this year's lovely reps. Here also the outstanding Cadets were honored for work done during the school year, and here the parents had a chance to see what one full year had done for the freshmen. The evening concluded rather humorously when two "streakers" appeared on the track and, rather humbly, got off just as quickly. CBC has had many things, and our very own streakers only add to the list.

Federal Inspection

"Reps"

Each year C.B.C. is honored by representatives of 15 St. Louis Area girls' schools. This year a new school is added to that list, Mary Institute. We are especially proud of our reps who were chosen by their classmates last spring to beautify C.B.C.

Throughout the year these girls are present at almost every C.B.C. function. Following their formal introduction at the Fall Review, they are present at the SLUH football game and the Fashion Show. At the Senior Luncheon in February, the seniors vote for their favorite reps to determine which girl will be chosen as honorary cadet colonel at La Promenade Militaire in April. At the Spring Review, a long, and exciting year, filled with many memories, comes to a close for these lovely girls.

Board Members Accept Challenges; Finish First Complete Year

The CBC Board of Trustees, founded in October of 1972, has just finished its first complete year of existence. Its effect on the school cannot only be felt by all who are concerned, but seen in the many improvements they have made. The new sidewalks around school, the painting of the school, both inside and out, the new tennis courts were arranged with Clayton through the Board. They have made their presence felt by each decision that comes from their meetings. Their meetings are held on the third Monday of each month and are open to all who wish to sit in on the discussions. Chaired by Dr. Edward N. Tines, the other members of the Board are: Mrs. Wilma Cantwell, Brother Aloysius Dolan, Brother Camillus DeFresne, Mr. Samuel Duggan, Dr. Edwin Eigel, Mr. Thomas Geraghty, Mr. Charles Kaiser, Mr. John King, Mr. Leo Landgraf, Mrs. Joyce Littlefield, Brother Paul McDonough, Brother Joel Mittino, Brother William Rhody, Brother Stephen William, Dr. Paul Meiners. The By-Laws of the Board insist that at least six members be Christian Brothers, as well as the President of the School be a Brother. All of these members are greatly concerned with CBC, and are doing all they can to increase the quality of education and interest in CBC throughout the St. Louis Community.

Prom

The Prom Committee outdid itself in organizing and setting up this year's Prom. The bands were outstanding, the food delicious, the girls beautiful, and even we looked a little good that night. April 5 marked the coronation of Sue Cantwell as Honorary Cadet Colonel for 1973-74. She joins the other girls who have reached that rank, Queen of La Promenade Militaire.

"Sayings Heard Around the Halls"

Mr. Simpson: Tell Mrs. Hiltebrant that I'm sorry she has to work. No! Don't tell her that.
To some ding-a-lings, Mae West stripping at the age of 23 would be boring, but not to us higher intellects, it would be interesting!
All right, who's the ringleader back there?

Mr. Belcher: I liked you better when you were a vegetable.

Bro. Emmett: Fat, disgusting blob!
You better not lose any weight, cause if you do I'm going to beat the -- out of you!

Mr. Bahr: People, give your mouth a rest.
What really bothers me is that I'm going to be seeing you same people in here next semester.

Mr. Davenport: Quite actually. . .! By and large. . .!

Sgt. Heath: Just between you and me and the fence post. . .!

Mr. Michler: We're going to quit coasting.

Mrs. Sollott: I know everyone's voice in this room.

Mr. Sweeney: This is a laboratory, not a playpen.

Mr. Healey: Ruffin, why do you always turn your mouth on before you turn your brain on?
Tell me, what's it like being an idiot?
If I had your face, I'd hire a pickpocket to lift it!

Mr. Fleming: No more than four people in here, you ten have to leave. OUT!

Bro. Raymond: What do you mean you went to the dentist–I can smell donuts on your breath.
We really get some strange phone calls during the full moon!

Mr. Hernandez: When are you going to work off those demerits?

Hieger: Brother, which weighs more, a pound of neutrons or a pound of protons? Brother Emmett: A pound of neutrons actually. . .!

Mr. Simpson: Vollmer, you ding-a-ling, this isn't a movie.

Bro. Raymond: This isn't a junk shop. GET OUT!

Col. Patton: Try finding it in your @†%&$*+@ manual!
You don't play ball with me and I'll shove the bat up your rear and make you three inches taller.

Mr. Landgraf: You cluckhead!
This looks like a @*&†%$&* Chinese fire drill.

Mr. Jackstedt: All right, out the window.

Mr. Hagerty: Gentlemen, I am going to have discipline. I do not believe in corporal punishment. However if you cross me, I'll knock your †@%$& head off!

Bro. Morrissey: Once more and your gone.

Mr. Healey: When God gave out brains, you thought he said trains and you told him you wanted a small slow one!
Why don't you grow up and act like a third grader!
Everyone take out a pencil, Ruffin, you take out your crayons.

Mrs. Hiltebrant: Get out of here! What do you want? Get out!

Sgt. Eimes: The tennis team will be dismissed at 2:00 so they can make the 15 minute trip to Forest Park for their 4:00 tennis match.

Mr. Wilcutt: Grindler, get off that desk, and pick up your bird-seed.

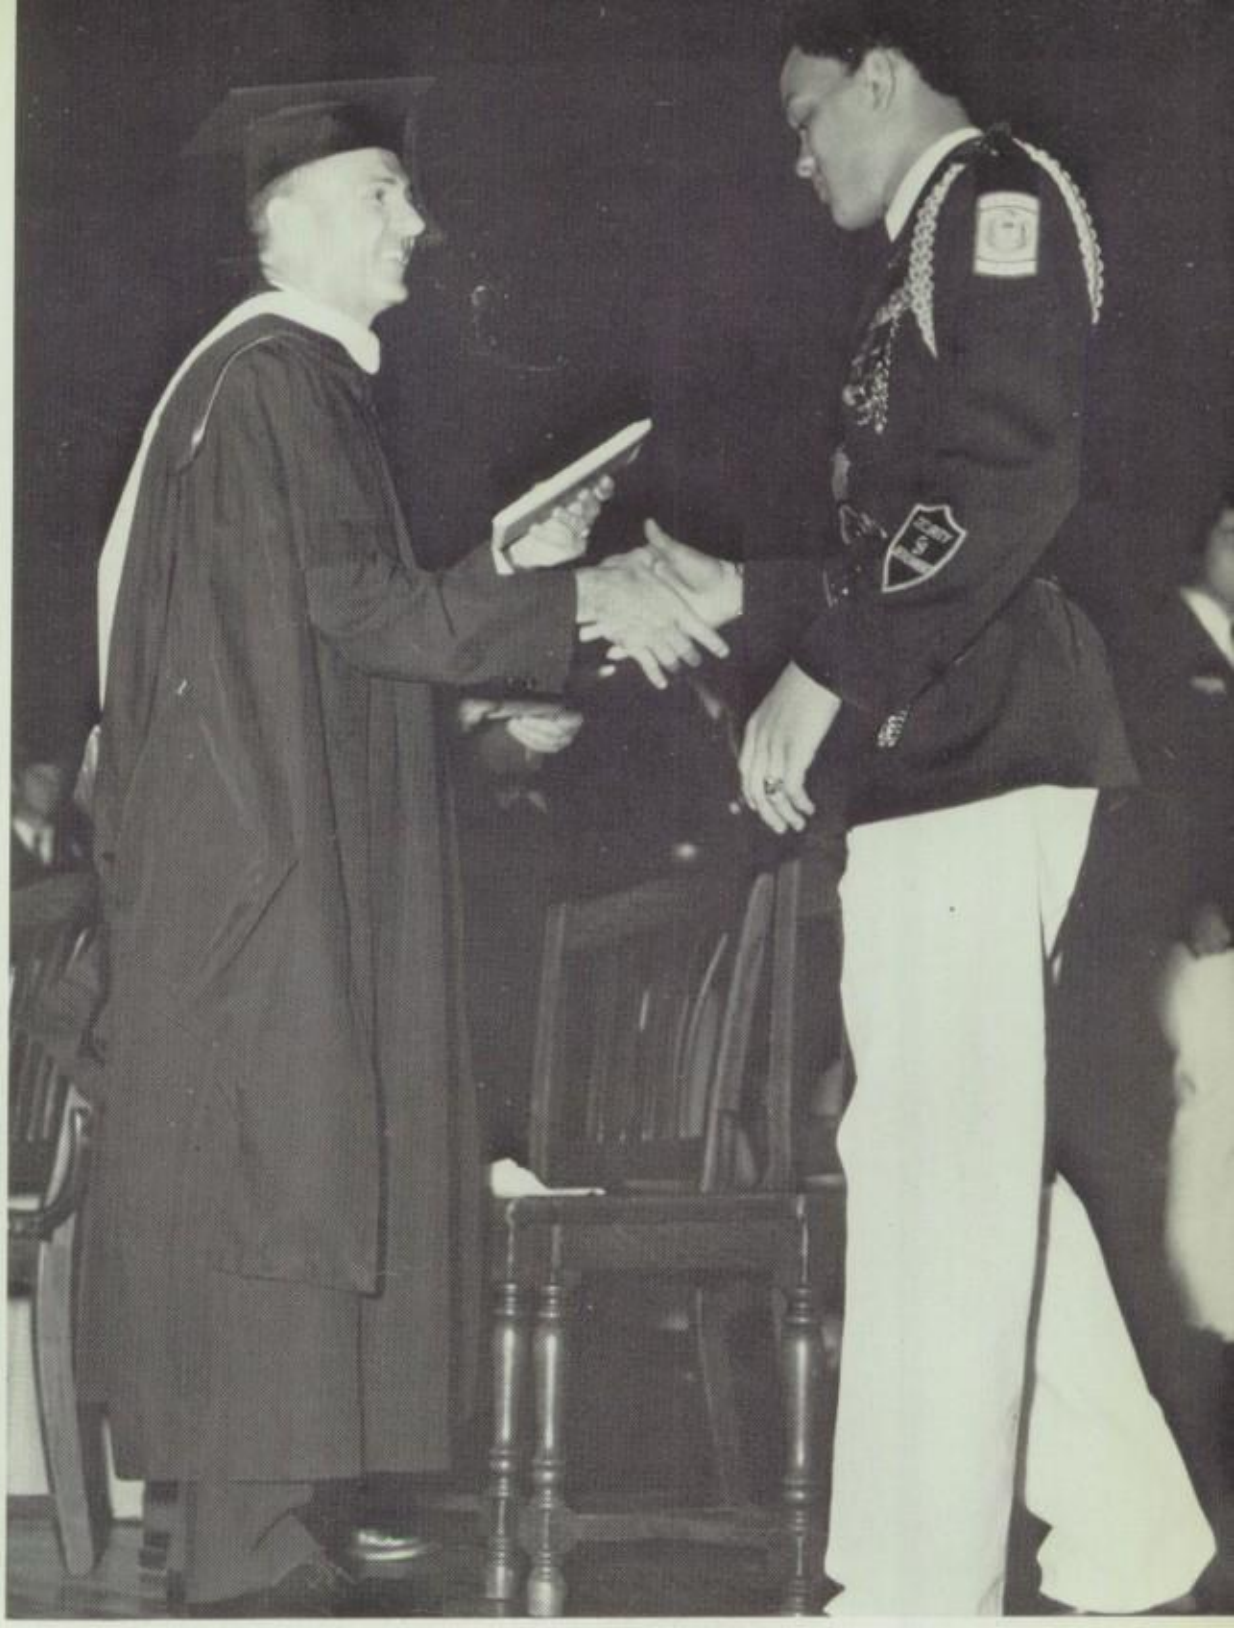
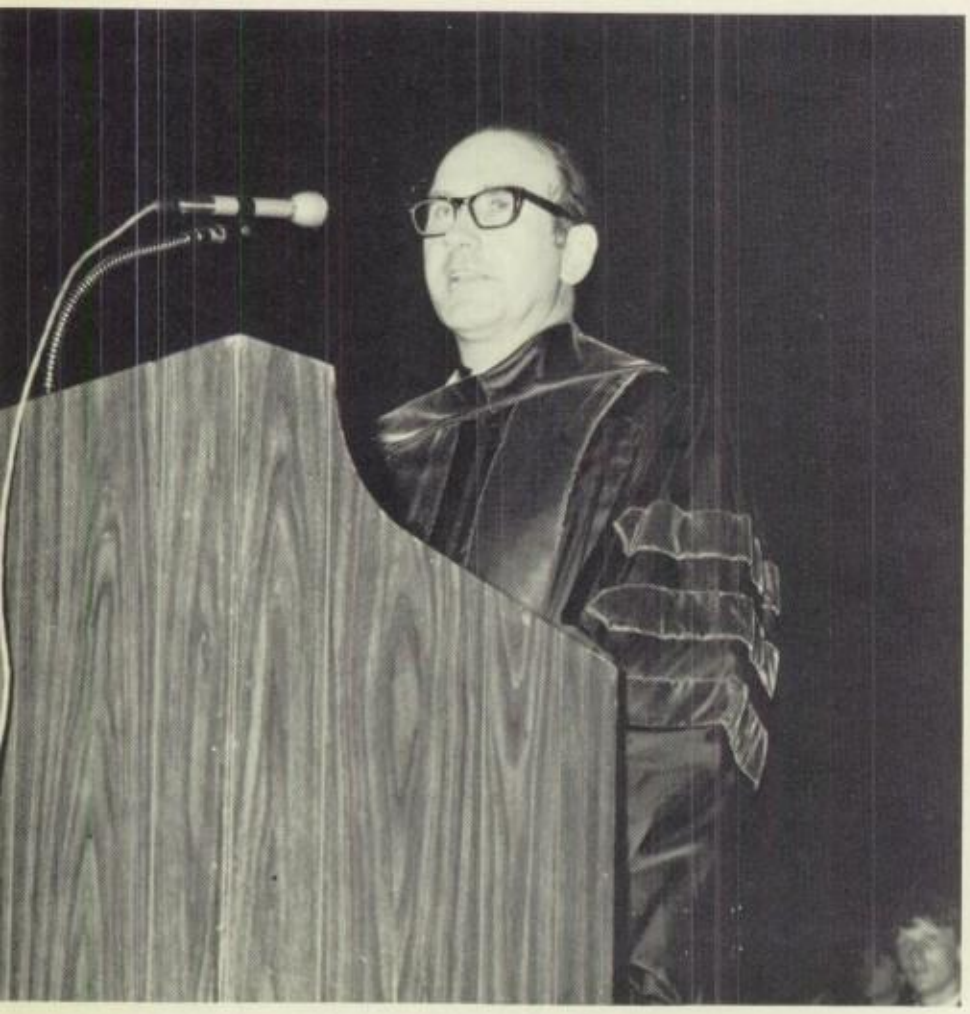
Commemcement

On Sunday, May 19, 1974, one hundred and forty-six young men began a new stage of their lives. For these young men, the one hundred and twenty-third such group, they face new challenges their predecessors never dreamed of. The challenges of our society, as mentioned by Valedictorian Bob Tracy, can be overcome, if each graduate takes it upon himself to meet the world head on and strive for his goal. For most of us, Graduation is one of the saddest of times, but think of it as a beginning, as it truly is, and think of all that lies before us in the world. For the important thing is this, always be willing to sacrifice what we are, for what we could become.





The 1974 *GUIDON* could not have been completed without the help of many people. I would like to thank Sophie Parashak, Lou, Phil, Bob, Jim and Ken, and the rest of Vincent Price Studio for their excellent photography. Fern O'Neal from Interstate for her help without which this would not be written in any book. Also my thanks to Dan Buckley and Terry Mahoney.
